Grand National Chorus - Singing for your Pleasure

SONGS LIKE: DREAM A LITTLE DREAM OF ME - GEORGIA ON MY MIND - HEART OF MY HEART

ENTERTAINMENT WITH A DIFFERENCE?

If you are organising an event or social for your residents, be it a special birthday, club social, engagement, wedding party or just regular entertainment, we could fit the bill.

Formed in 1974, the **GRAND NATIONAL CHORUS**, singing well loved songs from the 50s, 60s and 70s in unaccompanied four part harmony, could be the answer to your problem.

Songs made famous by performers like: Neil Sedaka, Frank Sinatra, The Mamas and Pappas, Ray Charles, Ricky Nelson, The Beatles, Ella Fitzgerald and many more.

We have performed at well over 1,000 public and private functions including Christmas shows at the Sefton Park Palm House, memorable weddings and at the Town hall on Liverpool LightNight.

Whatever the occasion, function or get-together we can tailor our performance to meet your special requirement; you will find our fee for this very reasonable.
