Our all male **Grand National Chorus**, formed in 1974, could be a helpful new interest for your retired male patients who are welcome at our weekly Thursday evening rehearsals. Details are available on our website [www.liverpoolinharmony.co.uk](http://www.liverpoolinharmony.co.uk) which has a useful FAQ section and access to our Facebook page as well as providing directions to our rehearsal venue in Prescot Town Hall which has a lift and free secure parking. Also, attached is a leaflet suitable for a notice board.

As we are sometimes performing on a Thursday evening, we recommend a quick phone call to **Vernon** on **0151 480 7379** or email the club at [liverpoolharmonyclub@gmail.com](mailto:liverpoolharmonyclub@gmail.com)

Thank you for your time and interest.
